

About Ironbridge Equity Partners

Ironbridge Equity Partners is a Toronto based private equity firm focused on investing in Canadian middle-market companies. We provide equity capital for owner/operator succession, corporate carve-outs, and management buyouts. We currently have \$750 million of Assets under Management and are investing out of our fourth private equity fund, Ironbridge Equity Partners IV, LP, a fully committed \$383 million fund raised in November 2021.

We are a small, tight knit, team-oriented firm with a strong moral compass. We invest in people we trust, in businesses we understand, and in situations where our experience matters.

Position: Associate

Ironbridge is currently hiring for the role of Associate. The Associate will work with the team to execute on new investment opportunities, support existing portfolio investments, and perform company and industry research.

We are currently accepting resumes from qualified candidates. The ideal candidate will have 3-5 years of work experience in a related field, likely one of: investment banking, accounting, management consulting, corporate finance, corporate development, or private equity.

Primary responsibilities

- Build financial models to analyze investments
- Perform due diligence on investment opportunities
- Work with portfolio companies on strategic initiatives, forecasting, and board presentations
